reflections of

time . . .

Time is universal. The uniqueness of time is reflected by the ways an individual spends each moment of the day, each day of the year, until the grains of time have run out.

Because each person was led by different dreams and goals, the student body of M.H.S. represented a varied group. Each individual sought to fulfill his own personal desires. Everyone achieved, failed, lost, and won. Seeking an education was not an easy task. The student progressed and looked toward the future, but at the same time he remembered his accomplishments and failures mirrored in his past, if only to find the strength to continue onward. The moments of youth have not been forgotten - the agitation, the laziness, the serenity, and the anxiety.

This year found the student apathetic, bored, restless, determined, courageous, energetic, individualistic, and united. But the year's end found him a hopeful figure looking toward the future with the flowing sands of time . . .

Morning Has Broken

Morning has broken
Like the first morning
Blackbird has spoken
Like the first bird
Praise for the singing
Praise for the morning
Praise for them springing
Fresh from the word
Sweet the rains new fall
Sunlit from heaven
Like the first dewfall
On the first grass
Praise for the sweetness
Of the wet garden
Sprung in completeness
Where his feet pass
Mine is the sunlight
Mine is the morning
Born of the one light
Eden saw play
Praise with elation
Praise every morning
God's recreation
Of the new day
Morning has broken

Mr. Phil Collins, 45, died on Friday, September 15, 1972 of a heart attack. He was the athletic director and physical education teacher at MHS.

He graduated from the University of Wisconsin - LaCrosse in 1950. He then became a physical education teacher, athletic director and head coach at Orfordville for three years. After this, he served at Clinton for four years in a similar capacity.

In 1958, he came to Mayville serving as basketball coach and physical education teacher. In 1962, he replaced the late Ray Dunn as athletic director.

His teams attained very impressive records. He did an outstanding job as coach, athletic director and physical education teacher. Mr. Collins will be missed by the faculty, students and administration of Mayville High School.

The MHS volleyball team ended up fourth in conference standings. The team consisted of J. Bachhuber, B. O'Brien, K. Guenther, K. Kuehl, R. Weiss, S. Geshke, C. Quinn, P. Storck, J. Voss, W. Wolfgram. None of the girls went out for volleyball before, so there were no experienced players. There was a lot of natural ability on the basketball team, but winning was difficult in some games. All the girls did an excellent job in competition being a good sport as well as a good player.

The team discusses last minute strategy.

Karen Kuehl watches her volley.

"It was a super season!" stated Coach Berry of the 1972 track team. The Cards won six of their seven conference meets, breaking six school records in the process.

Mayville sent four members to the state track meet, where Larry Krause became the state champion in the 880 yard run. The mile relay team, consisting of Jim Malesevich, Jeff Voss, Larry Krause, and Dave Schulteis, also went to state, placing second.

Junior Varsity Wrestling

"The wrestling season for Mayville this past year as a team was a very disappointing season to say the least. There were a few wrestlers who were consistent winners and a few wrestlers that would win matches occasionally, but we could never put these all together at any one time to win matches as a team.

We will be losing only two seniors through graduation. The rest of the team is made up of underclassmen with a good group of freshmen. If these underclassmen will be willing to work hard and put it all together, we could possibly have a respectable season next year.

Al Christian is a senior who will be graduating and will be missed. For two years Al has been the leader in matches won and has qualified for the Sectional Tournament each year," commented Coach Geoff Washa on the wrestling season.

Varsity Football

The Mayville High School football team had a rather disappointing season. Their overall record was 6-3, while their conference record was 5-2. They wound up the season tying for second in the conference standings. Tom Gleisner led the team and conference in scoring with 50 points.

Coach Omer has this to say about the team and the season: "The season consisted of many close games, with five games being decided in the last two minutes of play. In nine games, Mayville scored 118 points and the opposition scored 110 points which is an indication of the many close contests. We had a fine bunch of players to work with. They never let down and kept their cool winning three games in the final minutes of play."

Although the whole team did a fine job, the outstanding players were Dale Toellner, who made all-conference defensive safety and honorable mention offensive flanker; Dan Backhaus, all-conference defensive guard; Scott Kenitz, all conference offensive guard; Mark Mayer, honorable mention offensive back; Randy Feucht, honorable mention defensive guard; Pete Frank, honorable mention defensive end; and Dennis Toellner, honorable mention defensive linebacker and offensive tight-end. Dennis also received the Heim award.

Golf

The golf team did well in the early part of the season. Their overall record was 8-5-1, while their conference record was 5-1-1. They were in first place going into the conference playoff. However, there they placed fourth. Greg Voss was the outstanding individual on the team, placing sixth best in the conference meet, and going to regionals. Other outstanding players were Terry Pilsner and Luddy Wurtz who were the number 2 and 3 men most of the year.

Reflections of Time . . .

The year has become but a memory. No more will morning announcements be a guide for the day, or the walls cursed for holding everyone in while spring is on the outside. For the class of 1973, spring marked the long anticipated end - the end of the beginning. But wherever you are led by the paths of time, life at MHS flows on within you . . . and without you.

I wish I knew how it would feel to be free
I wish that I could break all the chains holding me
I wish I could say all the things that I'd like to say
Say'em loud, say 'em clear, for the whole round world to hear.

I wish I could share all the love that's in my heart
Remove every doubt that keeps us apart
And I wish you could know what it means to be me
Then you'd see and agree every man should be free

I wish I could live like I'm longing to live
I wish that I could give all I'm longing to give
And I wish I could do all the things that I'd like to do
You know there still is quite a few and I'm way, way overdue.

I wish I could be like the bird up in the sky
How sweet it would be if I found out I could fly
So off to the sun and look down upon the sea

And I sing because I know how it feels to be free.

- John Denver
